

Brownies

A brownie is a square or rectangular baked confection. Brownies are available in a variety of forms and may be either fudgy (brownie fudge recipe) or cakey (brownie cake recipe), depending on their density. These may contain nuts, frosting, cream cheese, chocolate chips (brownie with white chocolate chips), or other ingredients. This brownie recipe is with cocoa powder.

A Chocolate Brownie contains about 129 Calories per serving (2 inches piece). Serve these brownies warm with a scoop of vanilla ice cream and you'll understand how delicious these are. Today, we are going to make chocolate brownies.
